OGP RANGE OF HELP POINT DEVICES

Guardian's OGP (On-Guard Protector) RANGE of Heavy-Duty Emergency Industrial Help Point Telecommunication Devices and Housings (Pedestal & Wall Mount), combined with Guardian's HDE Series of Analog and VoIP Help Point hands-free devices are intended for use in public areas where direct / emergency assistance or hands-free communication is required.

HDE SERIES OF TELEPHONES

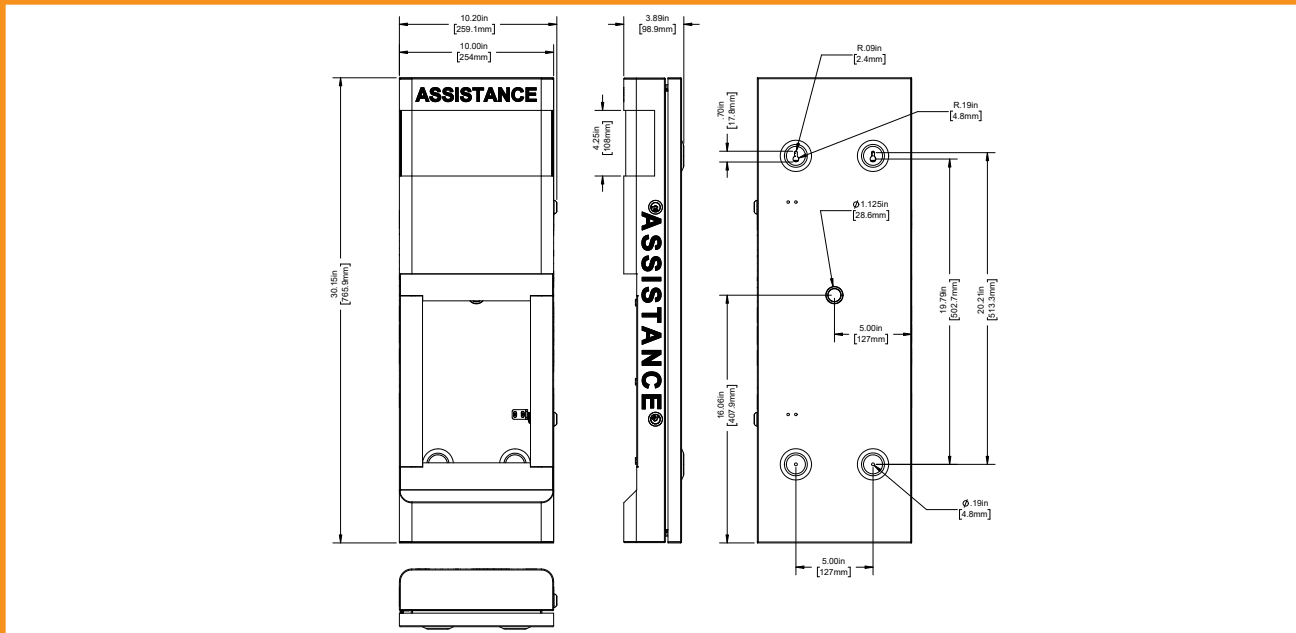

Guardian's HD SERIES Heavy Duty Emergency Industrial Telephones the Guardian HDE SERIES (Analog) and HDE-V SERIES (VoIP) telephones provide a two-way link to emergency, access or information assistance through half duplex and full duplex phone transmission. A call may be initiated from the phone by pushing the button which routes the call to its assigned extension. These phones also provide the capability of monitoring the status of each unit from a remote location, informing personnel of a malfunction.
